Public Input Session #1

Monday, July 24, 2023, 6:30 – 7:30 PM
Village of Colonie Family Recreation Center
3 Thunder Road, Albany

The Village of Colonie is looking to create a vibrant and accessible community by transforming Sand Creek Road into a safe and livable corridor for all users. Strategically located near important transportation hubs, the Village of Colonie is poised for growth and development. However, the lack of adequate pedestrian and bicycle infrastructure and peak hour vehicle delays have become a concern for residents and commuters along Sand Creek Road. That's why we're embarking on a journey to make the Sand Creek Road corridor a more walkable, inviting, and a healthier place to live, work, and play.
